Article Summary GS 1181: Signature Course

Instructions:

Step 1: Using the resources of the Porter Henderson Library, retrieve a journal article that is relevant to your group's research topic. You may need to retrieve multiple articles so you have several to choose from. The best articles are those from research journals.

Step 2: Review the article for clarity, validity, and relevance to your topic.

Step 3: Compose a summary of the article using the template below. This summary must be typed in 11 pt. Times New Roman Font using Microsoft Word.

Step 4: Save your article summary to your computer and submit it in Blackboard by the posted due date. Submission instructions are posted in Blackboard.

Step 5: Your first draft will be graded using the Article Summary Rubric posted in Blackboard. Please review the feedback and resubmit your final version by the posted due date.
