Creative Oral Presentation in Introductory Statistics

Assignment Instructions

1. Students will be assigned to a group for the purpose of preparing a review of specified course slos. These slos correspond to:
 - a. Dependent t
 - b. Independent t
 - c. Correlation
 - d. Regression
 - e. ANOVA
2. The review will take the form of a 10 to 15 minute oral presentation. The exact format of the oral presentation will be rap, comedy, Broadway musical, sitcom, Jeopardy, sports talk show, news program, etc.
3. Grading will be based on:
 - a. Accurate and successful review of slos
 - b. "Group" participation grade
 - c. Specific oral presentation criteria. Refer to rubric.
4. As it is a requirement that all students must participate, any student not present during the entire final exam period will receive a zero for this assignment.
